Project Assistant	\$65.55	\$67.45	\$69.41	\$71.42	\$73.49	\$75.62

Consulting Principal: Doctorate degree in Planning, Landscape Architecture, Architecture or related field, or over 20 years of directly related experience. Consulting Principals have the depth of knowledge and experience that enables them to work on projects throughout the firm across service areas. They contribute specialized expertise and advice on an as-needed basis, and serve as a value-added resource for consultation.

Principal: Bachelor's, Master's degree or higher in Planning, Landscape Architecture, Architecture or related field. Minimum of 15 years of directly related experience. Principals are responsible for planning, directing and implementing MIG's business strategies. Principals work together with staff to design marketing and sales plans, business development plans, financial management plans and investment plans. Principals also keep an eye on the firm's vision, purpose, and standing in the professional community and quality of work. Although all projects are the concern of the Principals, they often act as Project Managers for specific jobs.

Project Manager: Bachelor's degree of higher in any related field. Minimum of 5 years of related experience. The Project Managers assume leadership of the MIG Project Team for a specific project. Project Managers are responsible for project cost estimated and budget management, marketing (building client relationships), project staff development (coaching and training), coordinating and supervising.

Project Associate: Bachelor's degree or higher in any related field. Minimum of 1-2 years of work experience. The Project Associate works under the guidance of a Project Manager. The Project Associate is responsible for achieving project objectives, performing project related tasks, including facilitation and graphic recording of meetings, client liaison, internal coordination, graphic design (e.g., use of CADD, Quark, PhotoShop, Illustrator, Persuasion, etc.), database and spreadsheet management, report writing, and administrative/clerical work.

Project Assistant: Associates Degree. Minimum of 2 years of previous work experience. Project Assistants may be assigned to a specific project depending upon specific skills or expertise required or general need. The Project Assistant is often responsible for administrative and/or clerical work on a project and may serve in this role for training eventually to become a Project Associate. In some cases other MIG staff may provide direct project support.

SPECIAL NEEDS INCLUSION PROJECT STRATEGIC PLAN

San Francisco Department of Children, Youth and their Families, San Francisco County, California

MIG worked with the Special Needs Inclusion Council, convened by Support for Families of Children with Disabilities through a grant from the San Francisco Department of Children, Youth and Families (DCYF) to improve the Department's capacity to serve children and youth with special needs. We developed staff surveys and focus groups to determine key areas of needed support and education. This culminated in a final Strategic Plan that is changing the way DCYF serves special needs children and youth.
